Dear Stockholders:

On behalf of the Board of Directors, you are cordially invited to attend the 2019 Annual Meeting of Stockholders of Eloxx Pharmaceuticals, Inc. (the "Company"). The Annual Meeting will be held on Wednesday, May 29, 2019, at 1:00 p.m. Eastern Time at the offices of the Company, Center Entrance Learning Center, 950 Winter Street, 1st Floor, Waltham, Massachusetts 02451. The formal Notice of Annual Meeting is set forth in the enclosed material.

The matters expected to be acted upon at the Annual Meeting are described in the attached proxy statement. During the Annual Meeting, stockholders will have the opportunity to ask questions and comment on our business operations.

We are pleased to once again offer our proxy materials over the Internet. We are mailing to our stockholders a Notice of Internet Availability of Proxy Materials instead of a paper copy of the Notice of Annual Meeting, proxy statement and proxy card. The Notice of Internet Availability contains instructions on how to access those documents over the Internet and how each of our stockholders can receive a paper copy of our proxy materials, if desired. By furnishing proxy materials over the Internet, we are lowering the costs and reducing the environmental impact of the Annual Meeting.

It is important that your views be represented. If you request a paper proxy card, please mark, sign and date the proxy card when received and return it promptly in the self-addressed, stamped envelope we will provide. No postage is required if this envelope is mailed in the United States. You also have the option of voting your proxy via the Internet at www.proxyvote.com or by calling toll free via a touch-tone phone at 1-800-690-6903. Proxies submitted by telephone or over the Internet must be received by 11:59 p.m. Eastern Time on May 28, 2019. Although we encourage you to complete and return a proxy prior to the Annual Meeting to ensure that your vote is counted, you can attend the Annual Meeting and cast your vote in person. If you vote by proxy and also attend the Annual Meeting, there is no need to vote again at the Annual Meeting unless you wish to change your vote.

We appreciate your investment in the Company and urge you to cast your vote as soon as possible.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert E. Ward", written in a cursive style.

PROXY STATEMENT
FOR THE 2019 ANNUAL MEETING OF STOCKHOLDERS

To Be Held on May 29, 2019

General Information

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Eloxx Pharmaceuticals, Inc., a Delaware corporation (the “Company,” “Eloxx,” “we,” “our” or “us”), of proxies to be voted at our 2019 Annual Meeting of Stockholders (the “Annual Meeting” or the “Meeting”) and at any adjournment or postponement of the Meeting. The Annual Meeting will take place on May 29, 2019, beginning at 1:00 p.m., Eastern Time, at our offices, Center Entrance Learning Center, 950 Winter Street, 1st Floor, Waltham, Massachusetts 02451. For directions, please contact the Company at (781) 577-5300.

We mailed the Notice of Internet Availability of Proxy Materials, or the Notice, on or about April 5, 2019 to all stockholders of record entitled to vote at the Annual Meeting and made available the Proxy Statement and form of proxy to stockholders on such date. The matters to be voted on at the Annual Meeting are set forth in the Notice and further described below. When we refer to our fiscal year, we mean the 12-month period ended December 31 of the stated year. Web links and addresses contained in this Proxy Statement are provided for convenience only, and the content on the referenced website does not constitute a part of this Proxy Statement.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

1. Why did I receive a notice regarding the availability of proxy materials on the Internet?

We are providing access to our proxy materials over the Internet. Accordingly, we have sent you the Notice because the Board of Directors, or the Board, of the Company is soliciting your proxy to vote at the Annual Meeting, including any adjournments or postponements of the Annual Meeting. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. The proxy materials include the proxy statement, form of proxy, and our Annual Report on Form 10-K for the fiscal year ended December 31, 2018.

You are invited to attend the Annual Meeting to vote on the proposals described in this Proxy Statement. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign and return the proxy card that may be mailed or made available to you or follow the instructions below to submit your proxy over the telephone or through the Internet.

2. I want to attend the Annual Meeting. What procedures must I follow?

Admission to the Annual Meeting is limited to stockholders of record as of the close of business on April 1, 2019 and one immediate family member; one individual designated as a stockholder’s authorized proxy holder; or one representative designated in writing to present a stockholder proposal properly brought before the Annual Meeting. In each case, the individual must have proof of ownership of Eloxx common stock, as well as a valid government-issued photo identification, to be admitted to the Annual Meeting.

Proof of Ownership

If your shares are held in the name of a broker, bank or other holder of record and you plan to attend the Annual Meeting, you must present proof of your ownership of Eloxx common stock, such as a bank or brokerage account statement, to be admitted to the Annual Meeting.

A stockholder may appoint a representative to attend the Annual Meeting and/or vote on his/her behalf. Valid proof of appointment of a representative, such as a power of attorney or notarized letter, must be presented along with proof of ownership of Eloxx common stock from the holder, in order for your representative to be admitted to the Annual Meeting. If you have questions, contact the Company at (781) 577-5300.

3. Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on April 1, 2019 will be entitled to vote at the Annual Meeting. On the record date, there were 35,945,608 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on April 1, 2019, your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to fill out and return the proxy card that may be mailed or made available to you or vote by proxy over the telephone or on the Internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Agent

If on April 1, 2019, your shares were held, not in your name, but rather in an account at a brokerage firm, bank or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being made available to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your broker, bank or other agent.

4. What am I being asked to vote on?

There are four matters scheduled for a vote:

- Election of nine (9) directors (the “Nominees”, individually a “Nominee”) to hold office until the 2020 Annual Meeting of Stockholders (“Proposal 1”);
- Ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019 (“Proposal 2”);
- Advisory approval of the compensation of our named executive officers, as disclosed in this Proxy Statement (“Proposal 3”); and
- Advisory indication of the preferred frequency of advisory votes on the compensation of our named executive officers (“Proposal 4”).

5. What if another matter is properly brought before the Annual Meeting?

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

6. How do I vote?

You may vote using any of the following methods:

By Mail

If you have requested a paper set of the proxy materials, complete, sign and date the accompanying proxy or voting instruction card and return it in the prepaid envelope. If you are a stockholder of record and return a signed proxy card but do not indicate your voting preferences, the persons named in the proxy card will vote the shares represented by your proxy card as recommended by the Board of Directors.

By Telephone or on the Internet

Eloxx has established telephone and Internet voting procedures for stockholders of record. These procedures are designed to authenticate your identity, to allow you to give your voting instructions and to confirm that those instructions have been properly recorded. Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day until 11:59 p.m., Eastern Time, on May 28, 2019.

The availability of telephone and Internet voting for beneficial owners will depend on the voting processes of your broker, bank or other holder of record. We therefore recommend that you follow their voting instructions.

If you vote by telephone or on the Internet, you do not have to return your proxy or voting instruction card.

Telephone. You can vote by calling the toll-free telephone number on the Notice. Easy-to-follow voice prompts will allow you to vote your shares and confirm that your instructions have been properly recorded.

Internet. The website for Internet voting is www.proxyvote.com. As with telephone voting, you can confirm that your voting instructions have been properly recorded. If you vote on the Internet, you also can request electronic delivery of future proxy materials. You can also scan the QR Barcode below (or on your proxy card) with your smart device to access the website for Internet voting.

In Person at the Annual Meeting

Stockholders who attend the Annual Meeting may vote in person at the Meeting. You may also be represented by another person at the Meeting by executing a proper proxy designating that person. If you are a beneficial owner of shares, you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspector of election with your ballot to be able to vote at the Annual Meeting.

Your vote is important.

**Please complete your proxy card or vote by telephone or Internet promptly
to ensure that your vote is received timely.**

7. Can I change my vote after submitting my proxy?

Stockholder of Record: Shares Registered in Your Name

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may submit by mail another properly completed proxy card with a later date (which automatically revokes the earlier proxy).
- You may submit a subsequent proxy by telephone or through the Internet as described above.
- You may send a timely written notice that you are revoking your earlier-dated proxy to our Corporate Secretary c/o Eloxx Pharmaceuticals, Inc. at 950 Winter Street, Waltham, Massachusetts 02451.
- You may attend the Annual Meeting and vote in person as provided above. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or Internet proxy submission is the one that will be counted.

Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Agent

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by your broker, bank or other agent.

8. Why did I receive a “Notice of Internet Availability of Proxy Materials” but no proxy materials?

We distribute our proxy materials to stockholders via the Internet under the “Notice and Access” approach permitted by rules of the Securities and Exchange Commission (SEC). This approach conserves natural resources and reduces our cost of printing and distributing the proxy materials, while providing a convenient method of accessing the materials and voting. On or about April 5, 2019, we mailed a “Notice of Internet Availability of Proxy Materials” to our stockholders containing instructions on how to access the proxy materials on the Internet.

You may also request paper or e-mail delivery of the proxy materials on or before the deadline provided in the Notice by calling 1-800-579-1639, but note that it will take us at least three business days to mail or e-mail the proxy materials. You will also have the option to establish delivery preferences that will be applicable for all future mailings of proxy materials. We encourage stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact and costs of our annual meetings. If you choose to receive future proxy materials by e-mail, you will receive an e-mail message next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy materials by e-mail will remain in effect until you terminate it.

9. Can I access the proxy materials and the fiscal 2018 Annual Report on the Internet?

The Notice of Annual Meeting and Proxy Statement and the fiscal 2018 Annual Report are available on our website at www.eloxxpharma.com. Instead of receiving future proxy statements and accompanying materials by mail, most stockholders can elect to receive an e-mail that will provide electronic links to them. Opting to access your proxy materials online will conserve natural resources, will save us the cost of reproducing documents and mailing them to you, and will give you an electronic link directly to the proxy voting site.

Stockholders of Record: If you vote on the Internet at www.proxyvote.com, simply follow the prompts to enroll in the electronic proxy delivery service.

Beneficial Owners: You also may be able to receive copies of these documents electronically. Please check the information provided in the proxy materials sent to you by your broker, bank or other agent regarding the availability of this service.

10. What is a broker non-vote?

If you are a beneficial owner whose shares are held in “street name” — that is shares held of record by a broker — you must instruct the broker how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any proposal on which the broker does not have discretionary authority to vote, which are generally considered “non-routine” matters under applicable stock exchange rules. This is called a “broker non-vote.” In these cases, the broker can register your shares as being present at the Annual Meeting for purposes of determining the presence of a quorum but will not be able to vote on those matters for which the beneficial owner’s authorization is required under the applicable stock exchange rules.

If you are a beneficial owner whose shares are held of record by a broker, your broker has discretionary voting authority under applicable stock exchange rules to vote your shares on the ratification of Deloitte & Touche LLP, as our independent registered public accounting firm for the fiscal year ending December 31, 2019, even if the broker does not receive voting instructions from you. However, without specific instructions from you, your broker does not have discretionary authority to vote on the election of directors, the advisory vote on 2018 executive compensation or the preferred frequency of advisory votes on executive compensation, in which case a broker non-vote will occur and your shares will not be voted on these matters.

11. What is the quorum requirement for the Annual Meeting?

The presence of the holders of common stock representing a majority of the total votes entitled to be cast by the holders of all shares of common stock issued and outstanding, in person or represented by proxy, is necessary to constitute a quorum. Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum. On April 1, 2019, the record date, there were 35,945,608 shares outstanding and entitled to be cast. Thus, the holders of 17,972,805 shares must be present in person or represented by proxy at the Annual Meeting to constitute a quorum, which is necessary to transact business at the Annual Meeting.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the Annual Meeting. If there is no quorum, the holders of a majority of shares present at the meeting in person or represented by proxy may adjourn the meeting to another date.

12. What are the voting requirements to elect the directors and to approve each of the proposals discussed in this Proxy Statement?

Proposal	Vote Required	Broker Discretionary Voting Allowed
Election of Directors	Majority of Votes Cast	No
Ratification of Deloitte & Touche LLP	Majority of Votes Cast	Yes
Advisory Approval of Executive Compensation	Majority of Votes Cast	No
Advisory Vote on Frequency of Advisory Approval of Executive Compensation	Majority of Votes Cast	No

If you abstain from voting or there is a broker non-vote on a matter requiring a majority of the votes cast, your abstention or the broker non-vote will not affect the outcome of such vote, because abstentions and broker non-votes are not considered to be votes cast.

Election of Directors

Directors must be elected by a majority of the votes cast in uncontested elections, such as the election of directors at the Annual Meeting. This means that the number of votes cast “for” a director nominee must exceed the number of votes cast “against” that nominee. Abstentions and broker non-votes are not counted as votes “for” or “against” a director nominee. In a contested election, the required vote would be a plurality of votes cast.

Ratification of Deloitte & Touche LLP

The votes cast “for” must exceed the votes cast “against” to approve the ratification of Deloitte & Touche LLP as our independent registered public accounting firm. Abstentions are not counted as votes “for” or “against” this proposal.

Advisory Vote on our 2018 Named Executive Officer Compensation

The votes cast “for” must exceed the votes cast “against” to approve, on an advisory basis, the compensation of our named executive officers. Abstentions and broker non-votes are not counted as votes “for” or “against” this proposal.

Advisory Vote on Frequency of Advisory Approval of Executive Compensation

You are being asked to select one year, two years or three years based on your preference as to the frequency with which an advisory vote on executive compensation should be held. To the extent that no alternative receives a majority of the votes cast, the Board will consider the alternative receiving the greatest number of “for” votes to be the resulting recommendation, on an advisory basis, of our stockholders. Abstentions and broker non-votes are not counted as votes for any particular frequency choice.

13. How will my shares be voted at the Annual Meeting?

At the Meeting, the Board of Directors (through the persons named in the proxy card or, if applicable, their substitutes) will vote your shares as you instruct. If you sign a proxy card and return it without indicating how you would like to vote your shares, your shares will be voted as the Board of Directors recommends, which is:

- **FOR** the election of each of the director nominees named in this Proxy Statement;
- **FOR** the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for fiscal 2019;
- **FOR** the approval, on an advisory basis, of the 2018 compensation of our named executive officers; and
- **FOR** a frequency period of every year for future advisory stockholder votes on named executive officer compensation.

14. Could other matters be decided at the Annual Meeting?

As of the date of this Proxy Statement, we did not know of any matters to be raised at the Annual Meeting other than those referred to in this Proxy Statement.

If you return a signed and completed proxy card or vote by telephone or on the Internet and other matters are properly presented at the Annual Meeting for consideration, the individuals named as proxies on the proxy card will have the discretion to vote for you on those matters.

15. How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a Current Report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

16. Who will pay for the cost of the Annual Meeting and this proxy solicitation?

The Company will pay the costs associated with the Annual Meeting and solicitation of proxies, including the costs of mailing the proxy materials if a written copy of such materials is requested. Our directors, officers and regular employees (who will not be specifically compensated for such services) may solicit proxies by telephone or otherwise. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to forward proxies and proxy materials to their principals, and we will reimburse them for their expenses. We have retained Broadridge Financial Solutions to assist in the mailing, collection and administration of proxies.

PROPOSAL 1

ELECTION OF DIRECTORS

Nominees for Election as a Director

At the Annual Meeting, nine directors, who have been nominated by our Board of Directors, based on the recommendation of the Nominating and Corporate Governance Committee of the Board of Directors (referred to as the Nominating Committee), are to be elected, each to hold office (subject to our By-laws) until the next annual meeting and until his or her successor has been elected and qualified. All of the nominees for director currently serve as directors and were elected by the stockholders at the 2018 Annual Meeting.

Each nominee has consented to being named as a nominee in this Proxy Statement and to serve if elected. If any nominee listed in the table below should become unavailable for any reason, which the Board of Directors does not anticipate, the proxy will be voted for any substitute nominee or nominees who may be selected by the Board of Directors prior to or at the Annual Meeting. Directors will be elected by an affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy. There are no family relationships between any of our directors and executive officers. The information concerning the nominees and their security holdings has been furnished by them to us.

Our directors have been nominated by our Board of Directors, based on the recommendations of the Nominating Committee. As discussed elsewhere in this Proxy Statement, in evaluating director nominees, the Nominating Committee considers characteristics that include, among others, integrity, business experience, financial acumen, leadership abilities, familiarity with our business and businesses similar or analogous to ours, and the extent to which a candidate's knowledge, skills, background and experience are already represented by other members of our Board of Directors. Listed below are our director nominees with their biographies. In addition, we have summarized for each director the reasons why such director has been chosen to serve on our Board of Directors.

Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the majority of the remaining directors of the Board to fill a vacancy, including vacancies created by an increase in the number of directors, shall serve until his or her successor is duly elected and qualified, or until his or her earlier death, resignation or removal.

If a quorum is present, each nominee receiving more votes in favor of his or her election than against, will be elected as director. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominees named herein.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
A VOTE “FOR” THE ELECTION OF EACH NOMINEE UNDER PROPOSAL 1.**

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Independence of the Board of Directors

As required under Nasdaq Stock Market (“Nasdaq”) listing rules, a majority of the members of a listed company’s board of directors must qualify as “independent,” as affirmatively determined by the company’s board. The Board consults with the Company’s counsel to ensure that the Board’s determinations are consistent with relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in pertinent listing standards of Nasdaq, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his or her family members, and the Company, our senior management and our independent registered public accounting firm, the Board has affirmatively determined that the following seven directors are independent directors within the meaning of the applicable Nasdaq listing standards: Messrs. Kariv, Kleijwegt, Nussbaum, Rubin and Veinrib, and Drs. Avnur and Seehra. In making this determination, the Board found that none of these directors or nominees for director had a material or other disqualifying relationship with us. Mr. Ward and Dr. Noiman are not independent by virtue of their current and prior executive officer positions, respectively, with the Company.

Board Leadership Structure

The Board has a Chairman, Mr. Ward, also our Chief Executive Officer, who has authority, among other things, to call and preside over Board meetings, to set meeting agendas and to determine materials to be distributed to the Board. Accordingly, the Chairman has substantial ability to shape the work of the Board. The Board believes that this current structure and combination of responsibilities is optimal for the Company at this time as it will enhance the Board’s oversight by leveraging the knowledge of our Chief Executive Officer without diminishing his accountability to the full Board.

Role of the Board in Risk Oversight

One of the Board’s key functions is informed oversight of our risk management process. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for our Company. Our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and risk management is undertaken. Our Nominating and Corporate Governance Committee monitors the effectiveness of our Corporate Governance Guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. The Strategic Finance Committee assists the Board in fulfilling its responsibilities to review, among other things, the Company’s long-term strategy, risks and opportunities relating to such strategy, major financial objectives and potential transactions. It is the responsibility of the chairperson of each committee of the Board to report findings regarding material risk exposures to the full Board as quickly as possible.

Meetings of the Board of Directors

The Board met six times prior to the end of the fiscal year ending December 31, 2018 and had several additional informal meetings. Each Board member attended 75% or more of the aggregate number of meetings of the Board and of the committees on which he or she served, held during the portion of the last fiscal year for which he or she was a director or committee member. The Board also met several times during the year on an informal basis where members received regular operational updates concerning the Company. Additional actions of the Board and the committees of the Board were adopted by written consent, which are not included in the total meetings held for the Board and each committee.

INFORMATION REGARDING COMMITTEES OF THE BOARD OF DIRECTORS

The Board has four committees: Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee and Strategic Finance Committee. Each of the committees has authority to engage legal counsel or other experts or consultants as it deems appropriate to carry out its responsibilities. The Board has determined that each member of each committee meets the applicable Nasdaq rules and regulations regarding “independence” and each member is free of any relationship that would impair his or her individual exercise of independent judgment with regard to the Company.

Each committee acts pursuant to a separate written charter, and each such charter has been adopted and approved by the Board of Directors. A copy of the charter of each of our committees, as well as our Corporate Governance Guidelines, are available on our website at www.eloxxpharma.com by choosing the “Investors” link and clicking on the “Corporate Governance” section.

Audit Committee

For the fiscal year ended December 31, 2018, the Audit Committee was composed of three directors: Messrs. Kleijwegt and Rubin and Dr. Seehra, with Mr. Kleijwegt serving as the chairman of the committee. The Audit Committee met eight times during the fiscal year ended December 31, 2018. The Audit Committee was established by the Board in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) to oversee our corporate accounting and financial reporting processes and audits of our financial statements. For this purpose, the Audit Committee performs several functions. The Audit Committee evaluates the performance of and assesses the qualifications of the Company’s independent registered public accounting firm; determines and approves the engagement of the independent registered public accounting firm; determines whether to retain or terminate the existing independent registered public accounting firm or to appoint and engage a new independent registered public accounting firm; reviews and approves the retention of the independent registered public accounting firm to perform any proposed permissible non-audit services; monitors the rotation of partners of the

independent registered public accounting firm on the Company's audit engagement team as required by law; reviews and approves or disapproves transactions between the Company and any related persons; confers with management, and the Company's independent registered public accounting firm, as appropriate, regarding the effectiveness of internal control over financial reporting; establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and meets to review the Company's annual and quarterly financial statements with management and the independent registered public accounting firm, including a review of the Company's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations" contained in our Exchange Act reports filed with the SEC.

The Board reviews the Nasdaq listing standards definition of independence for Audit Committee members on an annual basis and has determined that all of the current members of the Audit Committee are independent (as independence is currently defined under Rule 5605(a)(2) of the Nasdaq listing rules and under Rule 10A-3 under the Exchange Act). The Board has also determined that Mr. Rubin qualifies as an "audit committee financial expert," as defined in applicable SEC rules. The Board made a qualitative assessment of Mr. Rubin's level of knowledge and experience based on a number of factors, including formal education and experience as an executive officer and director for publicly and privately held companies.

Report of the Audit Committee of the Board of Directors

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2018 with management of the Company. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 1301, *Communications with Audit Committees*, as adopted by the Public Company Accounting Oversight Board ("PCAOB"). The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountants' communications with the Audit Committee concerning independence and has discussed with the independent registered public accounting firm the accounting firm's independence. Based on the foregoing, the Audit Committee of the Board of Directors has recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2018.

Respectfully submitted,

Martijn Kleijwegt
Steven D. Rubin
Jasbir Seehra, Ph.D.

The material in this report is not "soliciting material," is not deemed "filed" with the SEC and is not to be incorporated by reference in any filing of the Company under the Securities Act of 1933, as amended, or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

Compensation Committee

For the fiscal year ended December 31, 2018, the Compensation Committee was composed of three directors: Mr. Veinrib and Drs. Avnur and Seehra, with Dr. Avnur serving as the chairwoman of the committee. All members of our Compensation Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the Nasdaq listing rules). The Compensation Committee met six times during the fiscal year ended December 31, 2018. The Compensation Committee acts on behalf of the Board to review, adopt and approve the Company's compensation strategy, policies, plans and programs, including:

- reviewing and approving corporate performance goals and objectives relevant to the compensation of our executive officers and other senior management, as appropriate;

- reviewing and recommending to the Board the type and amount of compensation to be paid or awarded to Board members;
- evaluating and approving the compensation plans and programs advisable for the Company, as well as evaluating and approving the modification or termination of existing plans and programs;
- establishing policies with respect to equity compensation arrangements with the objective of appropriately balancing the perceived value of equity compensation and the dilutive and other costs of that compensation;
- reviewing and approving the terms of any employment agreements, severance arrangements, change-of-control protections and any other compensatory arrangements (including, without limitation, perquisites and any other form of compensation) for our executive officers and, as appropriate, other senior management; and
- administration of our equity compensation plans, pension and profit-sharing plans, stock purchase plans, bonus plans, deferred compensation plans and other similar plans and programs, if any.

Compensation Committee Processes and Procedures

The Compensation Committee holds regularly scheduled meetings and such special meetings as circumstances dictate. The agenda for each meeting is usually developed by the Chairperson of the Compensation Committee, in consultation with our Chief Executive Officer. The Compensation Committee meets regularly in executive session. However, from time to time, various members of management and other employees as well as outside advisers or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee meetings. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation. In addition, under the charter, the Compensation Committee has the authority to obtain, at our expense, advice and assistance from compensation consultants and internal and external legal, accounting or other advisers and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. The Compensation Committee has direct responsibility for the oversight of the work of any consultants or advisers engaged for the purpose of advising the Compensation Committee. In particular, the Compensation Committee has the authority to retain, in its discretion, compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant's reasonable fees and other retention terms. Under the charter, the Compensation Committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the Compensation Committee, other than in-house legal counsel and certain other types of advisers, only after assessing the independence of such person in accordance with SEC and Nasdaq requirements that bear upon the adviser's independence; however, there is no requirement that any adviser be independent.

The Compensation Committee considers matters related to individual compensation, such as compensation for new executive hires, as well as high-level strategic issues, such as the efficacy of our compensation strategy, potential modifications to that strategy and new trends, plans or approaches to compensation, at various meetings throughout the year. Generally, the Compensation Committee's process comprises two related elements: the determination of compensation levels and the establishment of performance objectives for the current year. The Compensation Committee has the authority to delegate to the Chief Executive Officer and/or the officers of the Company who report directly to the Chief Executive Officer and all officers who are "insiders" subject to Section 16 of the Exchange Act (the "Senior Officers"), the determination of compensation under approved compensation programs, except that compensation action affecting the Chief Executive Officer or the Senior Officers may not be delegated. The Committee has direct responsibility and power to review and approve corporate goals and objectives relevant to the compensation of the Company's Chief Executive Officer, evaluate the performance of the Chief Executive Officer in light of those goals and objectives, and approve the compensation level for the Chief Executive Officer based on this evaluation.

Compensation Committee Consultant

The Compensation Committee has retained Radford, an Aon Hewitt Company, to which we refer as “Radford,” as its independent compensation consultant during fiscal 2018. Based on the six factors for assessing independence and identifying potential conflicts of interest that are set forth in SEC Rule 10C-1(b)(4) under the Exchange Act, the Nasdaq Listing Rules and such other factors as were deemed relevant under the circumstances, our Compensation Committee has determined that Radford is independent and the work Radford performed on behalf of the Compensation Committee did not raise any conflict of interest. Radford regularly meets with the Compensation Committee and provides advice regarding the design and implementation of our executive compensation programs, as well as our director compensation programs. In particular, Radford:

- reviews and makes recommendations regarding executive and non-employee director compensation;
- provides market data and performs competitive market analyses, including peer group analyses; and
- assists in the preparation of certain of our compensation-related disclosures included in this Proxy Statement.

In providing its services to the Compensation Committee, with the Compensation Committee’s knowledge, Radford may contact our management from time to time to obtain data and other information from us and to work together in the development of proposals and alternatives for the Compensation Committee to review and consider. In fiscal 2018, the cost of Radford’s executive compensation and director compensation consulting services was \$151,501 (exclusive of the purchase of certain Radford surveys at a cost of \$8,150).

In order to ensure that Radford is independent, Radford is engaged by, takes direction from, and reports to, only the Compensation Committee and, accordingly, only the Compensation Committee has the right to terminate or replace Radford at any time.

Compensation Committee Interlocks and Insider Participation

Each member of the Compensation Committee is an independent director within the meaning of the Nasdaq Listing Rules. There were no interlocks among any of the members of the Compensation Committee and any of our executive officers.

Nominating and Corporate Governance Committee

For the fiscal year ended December 31, 2018, the Nominating and Corporate Governance Committee, or Nominating Committee, was composed of three directors: Messrs. Nussbaum and Kariv and Dr. Avnur, with Mr. Nussbaum serving as the Chairman of the Nominating Committee. All members of the Nominating Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the Nasdaq listing rules). The Nominating Committee met two times in 2018 (including taking action by written consent on one occasion).

The Nominating Committee of the Board is responsible for identifying and evaluating candidates to serve as directors of the Company (consistent with criteria approved by the Board), reviewing and evaluating incumbent directors, recommending to the Board for selection candidates for election to the Board, making recommendations to the Board regarding the membership of the committees of the Board, assessing the performance of management and the Board and developing a set of corporate governance principles for the Company.

The Nominating Committee believes that candidates for director should have certain minimum qualifications and have the highest personal integrity and ethics. The Nominating Committee believes that each director should possess the requisite ability, judgment and experience to oversee the Company’s business, and should contribute to the overall diversity of the Board. Accordingly, the Nominating Committee considers the qualifications of directors and director candidates individually and in the broader context of its overall composition and the Company’s current and future needs. Candidates for director

nominees are reviewed in the context of the current composition of the Board, our operating requirements and the long-term interests of our stockholders. In conducting this assessment, the Nominating Committee typically considers diversity, age, skills and such other factors as it deems appropriate given the current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability.

In the case of new director candidates, the Nominating Committee also determines whether the nominee is independent for Nasdaq purposes, which determination is based upon applicable Nasdaq listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board and the Company. The Nominating Committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote.

The Nominating Committee will consider director candidates recommended by stockholders. The Nominating Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Any such stockholder recommendations must be delivered to our Corporate Secretary, together with the information required to be filed in a proxy statement with the SEC regarding director nominees, and each such nominee must consent to serve as a director if elected, no later than the deadline for submission of stockholder nominations as set forth in our By-laws and under the section of this Proxy Statement entitled "Stockholder Nominations — Advance Notice."

Stockholder Communications with the Board of Directors

Historically, the Company has not provided a formal process related to stockholder communications with the Board. Nevertheless, every effort has been made to ensure that the views of stockholders are heard by the Board or individual directors, as applicable, and that appropriate responses are provided to shareholders in a timely manner. The Company believes its responsiveness to stockholder communications to the Board has been excellent. The Nominating Committee will consider adoption of a formal process for stockholder communications with the Board as appropriate and, if adopted, publish it promptly and post it to the Company's website. Currently, communications with the Board should be made in writing and directed to the Company's Corporate Secretary at our principal executive offices.

The guidelines are also intended to align the interests of directors and management with those of our stockholders. The Corporate Governance Guidelines set forth the practices the Board intends to follow with respect to Board composition and selection, Board meetings and involvement of senior management, Chief Executive Officer performance evaluation and succession planning, and Board committees and compensation. The Corporate Governance Guidelines, as well as the charters for each committee of the Board, may be viewed on our website at <http://www.eloxxpharma.com/investors/corporate-governance/>.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019 and has further directed that management submit the selection of our independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. Deloitte & Touche LLP has audited our financial statements since June 2018. Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our By-laws, as amended, nor other governing documents or law require stockholder ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm. However, the Audit Committee is submitting the selection of Deloitte & Touche LLP to the stockholders for ratification as a matter of good corporate governance. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and our stockholders.

The votes cast “for” must exceed the votes cast “against” to approve the ratification of Deloitte & Touche LLP as our independent registered public accounting firm. Abstentions are not counted as votes “for” or “against” this proposal.

The Audit Committee has adopted a policy and procedures for the pre-approval of audit and non-audit services rendered by our independent registered public accounting firm. The policy generally pre-approves specified services in the defined categories of audit services, audit-related services and tax services up to specified amounts. Pre-approval may also be given as part of the Audit Committee’s approval of the scope of the engagement of the independent registered public accounting firm or on an individual, explicit, case-by-case basis before the independent registered public accounting firm is engaged to provide each service. The pre-approval of services may be delegated to one or more of the Audit Committee’s members, but the decision must be reported to the full Audit Committee at its next scheduled meeting.

Change in Independent Registered Public Accounting Firm

On June 18, 2018, the Audit Committee approved the dismissal of Kost Forer Gabbay & Kaiserer, a Member of Ernst & Young Global (“EY”), as the Company’s independent registered public accounting firm, and approved the appointment of Deloitte & Touche LLP (“Deloitte & Touche”) as the Company’s independent registered public accounting firm to audit the Company’s financial statements for the fiscal year ending December 31, 2018.

The reports of EY on the Company’s consolidated financial statements for the fiscal years ended December 31, 2017 and 2016 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principle.

During the fiscal years ended December 31, 2017 and 2016 and the subsequent interim period through June 18, 2018, there were (i) no disagreements (as defined in Item 304(a)(1)(iv) of Regulation S-K) with EY on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of EY, would have caused EY to make reference thereto in their reports on the Company’s financial statements, and (ii) no “reportable events” (as defined in Item 304(a)(1)(v) of Regulation S-K).

During the fiscal years ended December 31, 2017 and 2016 and the subsequent interim periods preceding the dismissal of EY, the Company did not consult with Deloitte & Touche regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on the Company’s financial statements, and neither a written report or oral advice was provided to the Company that Deloitte & Touche concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was the subject of a “disagreement” (as described in Item 304(a)(1)(iv) of Regulation S-K) or a “reportable event” (as described in Item 304(a)(1)(v) of Regulation S-K).

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” PROPOSAL 2.

PROPOSAL 3**ADVISORY VOTE ON EXECUTIVE COMPENSATION**

The Board recognizes the interests our investors have in the compensation of our named executive officers. In recognition of that interest and as required by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) and Regulation 14A of the Exchange Act, we are providing our stockholders with the opportunity to vote to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with SEC rules. In accordance with that policy, the Company is asking the shareholders to approve, on an advisory basis, the compensation of the Company’s named executive officers as disclosed in this Proxy Statement.

This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company’s named executive officers and the philosophy, policies and practices described in this Proxy Statement. The compensation of the Company’s named executive officers subject to the vote is disclosed in the compensation tables and the related narrative disclosure contained in this Proxy Statement. The Company believes that its compensation policies and decisions are focused on pay-for-performance principles and strongly aligned with our stockholders’ interests. Our equity compensation (which is awarded in the form of stock options, restricted stock units and performance stock units) is designed to build executive ownership and align financial incentives focused on the achievement of our long-term strategic goals (both financial and non-financial). Compensation of the Company’s named executive officers is also designed to enable the Company to attract and retain talented and experienced executives to lead the Company successfully in a competitive environment and promote the creation of long-term stockholder value.

Accordingly, the Board is asking our stockholders to indicate their support for the compensation of our named executive officers as described in this Proxy Statement by casting a non-binding advisory vote “FOR” Proposal 3.

If a quorum is present, the votes cast “for” must exceed the votes cast “against” to approve, on an advisory basis, the compensation of our named executive officers. Abstentions and broker non-votes are not counted as votes “for” or “against” this proposal.

Because the vote is advisory, the result will not be binding on the Board or Compensation Committee. Nevertheless, the views expressed by our stockholders, whether through this say-on-pay vote or otherwise, are important to management and the Board and, accordingly, the Board and the Compensation Committee intend to consider the results of this vote in making determinations in the future regarding executive compensation arrangements.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
A VOTE “FOR” PROPOSAL 3.**

PROPOSAL 4**ADVISORY VOTE ON THE FREQUENCY OF SOLICITATION OF
ADVISORY STOCKHOLDER APPROVAL OF EXECUTIVE COMPENSATION**

As described in Proposal 3 above, the Company's stockholders are being provided the opportunity to cast an advisory vote on the compensation of the Company's named executive officers. The advisory vote on executive compensation described in Proposal 3 above is referred to as a "say-on-pay vote."

The Dodd-Frank Act and Regulation 14A of the Exchange Act also enable our stockholders, at least once every six years, to indicate their preference regarding how frequently we should solicit a non-binding advisory say-on-pay vote in our proxy materials for future annual meetings.

Under this Proposal 4, stockholders may vote to have the say-on-pay vote every year, every two years or every three years, or may abstain from voting on this matter. In voting on this proposal, you should mark your proxy for one year, two years or three years based on your preference as to the frequency with which an advisory vote on executive compensation should be held. If you have no preference you should abstain.

After careful consideration, the Board of Directors believes that the frequency of the stockholder vote on the compensation of the Company's named executive officers should be once every year as the Board of Directors believes that stockholders should have the opportunity to determine whether executive compensation has been properly designed and measured against performance each and every year. This is consistent with our overall executive compensation philosophy which links pay primarily to the achievement of financial and strategic corporate performance objectives that are directly related to the achievement of both short-term and long-term strategic business objectives.

While the Board of Directors recommends an annual vote, stockholders are not voting to approve or disapprove of the Board of Directors' recommendation. Rather, stockholders may cast a vote on the preferred voting frequency by selecting the option of one year, two years, three years or abstain, when voting. The option that receives the majority of votes cast by stockholders will be considered the advisory vote of the stockholders. To the extent there is any significant vote in favor of one frequency over the other options, even if less than a majority of the votes cast, our Board will consider the stockholders' concerns and evaluate any appropriate next steps.

Although as an advisory vote this proposal is not binding on the Company or the Board, the Board values the opinions that our stockholders express through their votes and will carefully consider the stockholder vote, even if none of the options obtains a majority vote, along with all other views expressed by our stockholders, when considering how frequently we should hold the say-on-pay vote. The Board may decide that it is in the best interests of the stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option that receives the highest number of votes by our stockholders.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
A VOTE IN FAVOR OF "ONE YEAR" FOR PROPOSAL 4.**

Restricted stock units (RSUs) that will vest within 60 days of April 1, 2019 are deemed outstanding and reflected in the Shares of Common Stock Beneficially Owned column and for computing the ownership percentage of the stockholder holding such securities, but are not deemed outstanding for computing the ownership percentage of any other stockholder. Vested RSUs are included as common stock. Shares underlying Performance Stock Units (PSUs) are not deemed outstanding until earned and are not included in the table. Except as otherwise indicated, and subject to applicable community property laws, the persons named in the table have sole voting and dispositive power with respect to all shares of common stock held by that person.

Executive Benefits and Perquisites

All of our full-time employees, including our named executive officers, are eligible to participate in our health and welfare plans, including medical, dental and vision benefits. Our named executive officers participate in these plans on the same basis as other eligible employees. The value of these benefits is included above in the "All Other Compensation" column of the summary compensation table.

Retirement Plans

We maintain a 401(k) plan in which U.S. employees of the Company who meet certain eligibility requirements, including our named executive officers, are eligible to participate. The 401(k) plan is a U.S. tax-qualified defined contribution retirement plan under which eligible employees may defer their eligible compensation, subject to the limits imposed by the U.S. Internal Revenue Code, and the Company may, in its discretion, make a matching contribution of 100% on the first 3% of employee contributions and 50% on the employee contributions from 3% to 5%.

Elements of Our Compensation Programs for Named Executive Officers

The goal of our compensation plans and programs is to deliver appropriate, fiscally responsible compensation to named executive officers that focuses their efforts on delivering results against short- and long-term objectives, provides sustained value to stockholders and encourages the taking of responsible, appropriate and balanced risks. Accordingly, we have designed our compensation programs to include the following components:

Pay Mix

The Compensation Committee believes that compensation for our named executive officers must be a mix of variable compensation (both short- and long-term) and fixed compensation (base salary) in order to reinforce our executives' responsibility to balance short- and long-term performance while maintaining focus on delivering value for our stockholders. As such, our programs offer opportunity for higher compensation for successful performance and lower compensation in the absence of success.

Base Salary

Base salaries for our named executive officers provide a fixed rate of pay and serve as the basis for calculating targets in certain variable pay programs. Starting salaries and subsequent increases are determined based on the following factors:

- performance, experience, expected future contribution and ability to deliver value to stockholders;
- analysis of internal pay relationships; and
- market conditions and competitive positioning.

Annual Bonus

Our variable pay plan is designed to focus our named executive officers on annual goals and objectives that are established in order to contribute to the short- and long-term success of our business. The Compensation Committee reviews and approves each plan year's targets and performance metrics to ensure that they are challenging and commensurate with our short- and long-term business plan. Actual payments made are calculated based on performance in relation to the Compensation Committee approved goals.

Equity Grants

The Compensation Committee maintains that equity awards must align the interests of our named executive officers with those of our stockholders through rewarding exceptional corporate performance, stockholder returns and ensuring that decisions made in the short-term solidify a strong future for us. As such, awards granted pursuant to the 2018 Equity Incentive Plan are an essential component of our total compensation strategy. The equity pool of awards available to grant to all employees (including our named executive officers) in any given year is approved at the end of the prior year by the Compensation Committee, subject to the overall maximum amount of shares of our stock available under the 2018 Equity Incentive Plan. Equity awards may take the form of, among others, stock options, restricted stock units or performance stock units.

TRANSACTIONS WITH RELATED PERSONS

Related Person Transactions Policy and Procedures

We adopted a related person transaction policy that sets forth our procedures for the identification, review, consideration and approval or ratification of related person transactions.

For purposes of our policy only, a related person transaction is a transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we and any related person are, were or will have a material interest in which the amount involves exceeds the lesser of \$120,000 or one percent of the average of our assets for the last two completed fiscal years. Transactions involving compensation for services provided to us as an employee or director are not covered by this policy. A related person is any executive officer, director or beneficial owner of more than 5% of any class of our voting securities, including any of their immediate family members and any entity owned or controlled by such persons.

Under the policy, if a transaction has been identified as a related person transaction, including any transaction that was not a related person transaction when originally consummated or any transaction that was not initially identified as a related person transaction prior to consummation, our management must present information regarding the related person transaction to our Audit Committee, or, if Audit Committee approval would be inappropriate, to another independent body of our Board, for review, consideration and approval or ratification. The presentation must include a description of, among other things, the material facts, the interests, direct and indirect, of the related persons, the benefits to us of the transaction and whether the transaction is on terms that are comparable to the terms available to or from, as the case may be, an unrelated third party or to or from employees generally. Under the policy, we collect information that we deem reasonably necessary from each director, executive officer and, to the extent feasible, significant stockholder to enable us to identify any existing or potential related person transactions and to effectuate the terms of the policy.

In considering related person transactions, the Audit Committee, or other independent body of our Board, takes into account the relevant available facts and circumstances including, but not limited to (a) the risks, costs and benefits to us, (b) the impact on a director's independence in the event the related person is a director, immediate family member of a director or an entity with which a director is affiliated, (c) the availability of other sources for comparable services or products and (d) the terms available to or from, as the case may be, unrelated third parties or to or from employees generally.

The policy requires that, in determining whether to approve, ratify or reject a related person transaction, our Audit Committee, or other independent body of our Board, must consider, in light of known circumstances, whether the transaction is in, or is not inconsistent with, our best interests and those of our stockholders, as our Audit Committee, or other independent body of our Board, determines in the good faith exercise of its discretion.

Certain Related Person Transactions

Except as described below, there have been no transactions since January 1, 2018 in which we are a participant and the amount involved exceeds the lesser of \$120,000 or one percent of the average of our assets for the last two completed fiscal years, and in which any of our directors, executive officers or holders of more than 5% of our common stock, or any members of their immediate family, had or will have a direct or indirect material interest, other than compensation arrangements which are described under "Executive Compensation" and "Director Compensation."

Policy for Approval of Related Person Transactions

Pursuant its charter, our Audit Committee is responsible for reviewing on an ongoing basis and approving all "related party transactions" in accordance with the policy described herein. Under the Company policy, our Audit Committee is responsible for reviewing and approving related person transactions. In the course of its review and approval of related person transactions, our Audit Committee will consider the relevant facts and circumstances to decide whether to approve such transactions, including whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third

party under the same or similar circumstances and the extent of the related person's interest in the transaction. Related person transactions must be approved or ratified by the Audit Committee based on full information about the proposed transaction and the related person's interest.

Director and Officer Indemnification

We entered into indemnification agreements with each of our directors and executive officers. These agreements require us to indemnify these individuals and, in certain cases, affiliates of such individuals, to the fullest extent permissible under Delaware law against liabilities that may arise by reason of their service to us or at our direction, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, we have been informed that in the opinion of the SEC such indemnification is against public policy and is therefore unenforceable.
