

Strategic Finance Committee Charter

(Approved by the Board of Directors effective September 26, 2018)

Introduction:

The Board of Directors (the “Board”) of Eloxx Pharmaceuticals, Inc. (the “Company”) has developed and adopted this Strategic Finance Committee Charter (“Charter”) as part of a larger set of governance principles to promote the functioning of the Board and its committees within an overall corporate governance framework. The Strategic Finance Committee of the Board (the “Committee”) is appointed to assist the Board in fulfilling its responsibilities to review (i) the Company’s long-term strategy, risks and opportunities relating to such strategy, major financial objectives, strategic and operating plans and actions and (ii) potential mergers, acquisitions, divestitures, financings and other strategic transactions outside the ordinary course of the Company’s business (“Transactions”). Thus, the purpose and function of the Strategic Finance Committee is one of oversight of the Company’s long-term strategy development and implementation. It is not the duty of the Committee to develop the Company’s strategic plan or to implement such plan. Instead, such duties remain the responsibility of the management of the Company, subject, however, to the general oversight responsibilities of the Board.

This Charter will be reviewed annually by the Committee and is subject to modification by the Committee, as approved by the Board.

Committee Composition:

The Committee and its Chairman shall be appointed annually by the Board. The Board shall appoint the members of the Committee in accordance with the following criteria:

- Size of the Committee – The Committee will consist of at least three members of the Board.
- Independence – The majority of the members of the Committee shall not be employees of the Company or any of its subsidiaries.

Committee Responsibilities:

The Committee shall, from time to time, as requested by the Board or when the Committee considers it appropriate:

- Review with management the Company's strategy and strategic plans.

- Review with management the key issues and external developments impacting the Company's strategy.
- Facilitate an annual Board review of the Company's strategy and strategic options, and ensure the Board is periodically apprised of the Company's progress with respect to implementation of the approved strategy.
- Review, and provide guidance to management (and serve as a sounding board to management) and the Board with respect to, the Company's strategies for Transactions.
- Assist management and the Board with the identification of Transaction opportunities.
- Assist management and the Board with review of proposals made by management for Transactions.
- Consider and make recommendations to the Board as to proposed Transactions.

Any communications between the Committee and legal counsel in the course of obtaining legal advice will be considered privileged communications of the Company, and the Committee will take all necessary steps to preserve the privileged nature of those communications.

The minutes of each meeting will be kept and distributed to each member of the Committee, members of the Board and the Secretary of the Company. Meeting minutes will include: the agenda, date and location of the meeting, list of attendees, copies of discussed or presented materials and a written record of actions and recommendations made and agreed to by the Committee.
- **Access to Management** – Committee members will have full and unrestricted access to any relevant Company records and may request that any officer or other employee of the Company or the Company's outside counsel or accountants meet with any members of, or consultants to, the Committee.
- **Access to Advisors** – The Committee will have the authority and responsibility, in its sole discretion, to select, employ, retain, and terminate any financial, legal, executive search, consulting and other professional advisors as it deems necessary or appropriate to assist in the discharge of its responsibilities. The Committee will consider an advisor's independence from management in

selecting an advisor and be directly responsible for the advisor's compensation and oversight of their work. The Committee shall receive appropriate funding, as it determines, from the Company for payment of compensation to any such advisors retained by the Committee.
